RE: CLARIFICATION-CONSTRUCTION WORKS FOR THE SECOND BARICHO – KAKUYUNI WATER SUPPLY PROJECT- LOT 1: SECOND BARICHO – KAKUYUNI PIPELINE
CONTRACT NO: KE-CWSB-232660-CW-RFB
Clarification No. 1

The above subject matter refers.

Please find attached herewith clarifications addressing issues raised by some bidders:

- a) CWWDA confirms that the tender/or project for the proposed second Baricho/Kakuyuni pipeline water source has no transboundary disputes as the water source is from Athi/Galana/Sabaki river (boreholes in the river bed) which is 100% within the borders of Kenya. All neighboring countries (Tanzania, Uganda, S. Sudan, Ethiopia and Somalia) to Kenya are not anywhere near the project/or water source.
In addition, the river starts from Ngong hills south west of Nairobi and flows eastwards to the Indian Ocean.
Please refer to Volume III of the tender documents (as Issued) drawing No. 'B-KA-LI' showing the location of the project. You may also use google maps to locate the river and the project.

- b) The tender is a World Bank-funded one hence tendering procedure will be governed by World Bank guidelines in the procurement of works.
Bidders are asked to refer to Section I, Bid Data Sheet (BDS) and Section III (Evaluation and Qualification Criteria) Part 1 of VOL 1 of the Bidding Document.

Best Regards,

+ MARTIN TSUMA
Ag. CHIEF EXECUTIVE OFFICER.
